30" Electric Firebox

Flame
A blend of technology, artistry and craftsmanship – the patented Dimplex flame technology creates the illusion of a true fire.

LED Technology
Lasts more than 35 times longer and uses 10 times less energy than incandescent light bulbs.

Supplemental Heat
Includes a powerful fan-forced heater designed to keep the rooms you spend the most time in warm and comfortable. Reduce your central furnace temperature and cut your heating costs!

Thermostat
Includes a thermostat controlled fan-forced heater to ensure consistent comfort.

Remote
Includes a convenient on/off remote for ease of use at your fingertips.

Year-round Enjoyment
Enjoy the ambiance of the flame with or without the heater for year-round enjoyment.

Economical
Economical to operate. Costing only pennies per hour.*

Green
The green alternative. No harmful particulates or emissions and 100% efficient. Produces 90% less carbon dioxide than an average direct vent gas fireplace.

Safe
Front glass stays cool, making it safe to touch.

Instant Ambiance
Plugs into any standard household outlet.
